

Name: Joseph Jillwin

Designation: PhD student

Qualification: M.Sc (Medical Microbiology), PhD Scholar

Contacts details:

Email id- jillwin@gmail.com

Research activity:

Development and evaluation of molecular and serological techniques for identification and discrimination of pathogenic fungi in tissue specimens

Guide: Prof. M.R. Shivaprakash

Achievement:

- Best poster award in SIHAM 2016 held at I.G.M.C., Shimla, March 18-20, 2016 for poster entitled “Evaluation of multicopy nuclear ribosomal gene for amplifying DNA of pathogenic fungi from formalin fixed and paraffin embedded tissues”
